Amrize Building Envelope LLC, an Indiana limited liability company that owns the Duro-Last and EXCEPTIONAL Metals brands, ("Amrize"), warrants to the Building Owner ("Owner") named above that Amrize will, subject to the Terms, Conditions, and Limitations set forth herein, provide labor and material during the Warranty Period to repair any leak in the Amrize System ("System") caused by: normal weathering, manufacturing defects, or workmanship in the application of the System.

TERMS, CONDITIONS, AND LIMITATIONS

Products Covered. The System shall mean only the Amrize roofing insulations, Amrize roofing metal, and other Amrize metal roofing accessories when installed in accordance with EXCEPTIONAL Metals' technical specifications by a licensed Amrize applicator. Any materials not manufactured or supplied by Amrize are not covered under this Limited Warranty.

Notice. In the event any leak occurs in the System, Owner must give notice in writing or by telephone to Amrize Warranty Services ("Warranty Services") within thirty (30) days of the occurrence of the leak. By so notifying Amrize, Owner authorizes Amrize or its designee to investigate the cause of the leak at its option. Investigation. Should the investigation reveal that the leak is excluded under the Terms, Conditions, and Limitations set forth herein, Owner shall be responsible for payment of the investigation costs. Failure by Owner to pay for these costs shall render this Limited Warranty null and void. Owner is responsible for completing repairs not covered by this Limited Warranty. Failure by Owner to repair unwarranted leaks in a reasonable manner using a licensed EXCEPTIONAL Metals applicator and within 60 days shall render this Limited Warranty null and void.

No Dollar Limit (NDL). If upon investigation, Amrize determines that the leak is not excluded under the Terms, Conditions, and Limitations set forth herein, Owner's sole and exclusive remedy and Amrize's total liability shall be limited to the repair of the leak. There is no dollar limit placed on the cost to repair a warranted leak.

Exclusions. Amrize shall have no obligation to repair a leak or damage caused by: Hail; Winds of peak gust speed at or in excess of 54 mph calculated at ten (10) meters above ground using available meteorological data (all associated building components, including but not limited to the deck substrate, joists, columns and foundation, must also meet wind speed design requirements); Roof traffic or storage of materials or equipment on the roof not specifically accepted in writing by Amrize; Any leak caused by the breach, rupture, or failure of any building envelope component not covered under this Limited Warranty; or, Failure to properly notify Amrize Warranty Services as set forth herein.

Transfer. This Limited Warranty shall be transferable and assignable subject to the express written consent of Amrize and at Amrize's sole discretion. Amrize reserves the right to require an inspection of the Amrize System prior to transfer of this Warranty. The Owner must pay the current warranty transfer fee set by Amrize and must pay for any non-warranted repairs identified by Amrize during any pre-transfer inspection. A transfer of this Warranty shall not be effective unless all outstanding Amrize invoices have been satisfied.

Alteration. Owner shall notify Amrize in writing upon making any alterations to the System, or installing any structures, fixtures, or utilities on or through the System after installation, including, but not limited to: Photovoltaic (PV) Arrays, Garden Roofs, Decks, Patios, and areas intended for public access. Failure to obtain Amrize's approval for a roof alteration, or failure to provide required documentation, shall render this Limited Warranty null and void.
