Product information

Product names

- Duro-Last® 50-Mil Membrane
- Duro-Last® 60-Mil Membrane

Product description

The products are polyvinyl chloride roofing membranes that are reinforced with a weft-inserted polyester fabric.

Manufacturing plant

This evaluation is valid only for products produced at the following plant:

Product names	Manufacturing plant
	Saginaw, MI, US
Duro-Last® 50-Mil Membrane	☑
Duro-Last® 60-Mil Membrane	☑

☑ Indicates that the product from this manufacturing facility has been evaluated by the CCMC

Technical information

This evaluation is based on demonstrated conformance with the following criteria:

Criteria number	Criteria name
CAN/CGSB-37.54-95, Type 4, Class B	Polyvinyl Chloride Roofing and Waterproofing Membrane

The roofing and waterproofing membranes are suitable for use in exposed and non-exposed applications. Only materials recommended by the manufacturer should be in contact with the membranes. The products shall be installed in accordance with CGSB 37-GP-55M, "Application of Sheet Applied Flexible Polyvinyl Chloride Roofing Membrane."

Additional information

Wind uplift resistance of membrane roofing assemblies

Refer to UL certification TGFY7.R10128 for the wind uplift resistance performance of the products.

Administrative information

Use of Canadian Construction Materials Centre (CCMC) assessments

This assessment must be read in the context of the entire [CCMC Registry of Product Assessments](#), any applicable building code or by-law requirements, and/or any other regulatory requirements (for example, the [Canada Consumer Product Safety Act](#), the [Canadian Environmental Protection Act](#), etc.).

It is the responsibility of the user to confirm that the assessment they are using is current and has not been withdrawn or superseded by a later version on the [CCMC Registry of Product Assessments](#).

Disclaimer

The National Research Council of Canada (NRC) has evaluated only the characteristics of the specific product described herein. The information and opinions in this evaluation are directed to those who have the appropriate degree of experience to use and apply its contents (such as authorities having jurisdiction, design professionals and specifiers). This evaluation is valid when the product is used as part of permitted construction, respecting all conditions and limitations stated in the evaluation, and in accordance with applicable building codes and by-laws.

This evaluation is provided without representation, warranty or guarantee of any kind, expressed or implied, and the NRC provides no endorsement for any evaluated product. The NRC accepts no responsibility whatsoever arising in any way from any and all use of or reliance on the information contained herein or the use of any evaluated product. The NRC is not undertaking to render professional or other services on behalf of any person or entity nor to perform any duty owed by any person or entity to another person or entity.

Language

Une version française de ce document est disponible.

In the case of any discrepancy between the English and French version of this document, the English version shall prevail.

CCMC recognition

The Canadian Construction Materials Centre (CCMC) assesses compliance with Canadian building, energy and safety codes. We are the only construction code compliance service supported and operated by the Government of Canada. Trusted by over 6,000 regulators across Canada.

Most Canadian authorities having jurisdiction (AHJs) consider CCMC product assessments acceptable as evidence for product approval.

CCMC assessments are recognized by construction authorities across Canada:

Alliance of Canadian Building Official Associations (ACBOA)

(Alliance of Canadian Building Official Associations (ACBOA))

First Nations National Building Officers Association (FNNBOA)

(First Nations National Building Officers Association (FNNBOA))

Canadian Home Builders' Association (CHBA)

(Canadian Home Builders' Association (CHBA))

Alberta Building Officials Association (ABOA)

(Alberta Building Officials Associations (ABOA))

Saskatchewan Building Officials Association (SBOA)

(Saskatchewan Building Officials Association (SBOA))

Manitoba Building Officials Association (MBOA)

(Manitoba Building Officials Association (MBOA))

Ontario Building Officials Association (OBOA)

(Ontario Building Officials Association (OBOA))

New Brunswick Building Officials Association (NBBOA)

(New Brunswick Building Officials Association (NBBOA))

Nova Scotia Building Officials Association (NSBOA)

(Nova Scotia Building Officials Association (NSBOA))

The CCMC provides code compliance assessments to Canadian code requirements, consulting nationwide with construction regulators to elicit regional variations in code requirements as well as provincial and local interpretations. Users are advised to review the technical information presented in CCMC assessments when making approval decisions. [Learn more about how the CCMC provides a unique service for Canada.](#)
