Model Number	ZTR-D500
Power	230V, 4600W, 20A 50/60Hz
Welding Speed	1-33ft/min, 1-10m/min (adjustable)
Air Temp	68-1150°F, 20-620°C (adjustable)
Seam Width	1.5in, 40mm
Weight	82lbs, 37kg (with weights)
Digital Display	Temperature and Speed
Material	PVC, TPO, Single Ply Roofing Membrane

## ZT GUARANTEE:

### Easy to own. Easy to operate. Easy to maintain.

Zonda Tools offers the most hassle free warranty in the Hot Air Roof Welding Equipment Business. We like to call it the ZT GUARANTEE. Our equipment is designed to be affordable to own and easy to maintain. We are a locally owned, California based company. We stand behind the operators on the roof, one weld at a time.

#### Zonda Tools is so Confident in the Quality and Performance of It's tools that we offer a two year warranty with these benefits:

##### 1. WE WON'T PENALIZE OUR CUSTOMERS

We are the only Hot Air Roof Welding Equipment Manufacturer that won't penalize you if you need warranty replacement parts. The customer can replace warranty parts themselves without voiding the warranty. This includes all parts, electronic or mechanical.

**2. IDENTIFY AND RESOLVE** Here's how it works: simply call us with your machines serial number, tell us what the problem is and we will diagnose the problem over the phone and send you the necessary warranty parts to be replaced, free of charge. We will even pay the shipping charges.

**3. SUPPORT** Videos to help you: Go to [www.zondatools.com](http://www.zondatools.com) to view our helpful repair/maintenance videos.

**4. OUR "DIY WARRANTY"** will save you valuable time, by you NOT having to send your equipment into the dealer to be repaired. No more waiting weeks to get your equipment back and no more huge repair bills.

##### 5. LOWEST MAINTENANCE COST IN THE INDUSTRY Service and Repair:

If you do choose to send your equipment in to be repaired, please call us TOLL FREE at 855-465-4510, we will direct you to the nearest repair location nearest you.

**6. OUR 2 YEAR WARRANTY** covers all parts and labor; exclusive of heat elements, carbon belts, green dam belts and chain or chain bearings.

**FOR MORE INFORMATION ABOUT THESE BENEFITS, GIVE US A CALL.**
